Ode to Saint Joe

There'll come a day when we'll remember
The things that've happened since September,
But the time has come and we all know
We'll never return to old Saint Joe.

Take one last look then hold your ground,
Walk steadily on; never turn around,
For if we did, we'd see the faces
We'd left behind without no traces.

We've done the work though, and had the fun.
We've made our stay a joyous one.
But the time has come and we all know
We'll never return to old Saint Joe's
