This was a year of building for the future with the Saint Joseph Basketball team since only two members returned from the previous years squad. The overall record was only one win and nine losses however most of the games were decided by only a few points. The one victory was a 42 to 27 defeat of the Timonium Optimist All Star Team. This team went on to win the Optimist regional championship.

Four members of the team were selected for the All Star games played at the Baltimore Civic Center. Boys selected were Rick Doyle, Mike Hallet, Pat Collins and Bob Welsh. The team was composed of six eighth graders, four seventh graders and one sixth grader.
